Abide Festival in the Wind

Three of the four royal family have died.
If you die, what's the point of possessing all the valuables you had?
Even if I roll on the streets, I'd like to avoid death.

I'd like to enjoy my life
and take advantage of my happiness.

-Song of an old drunk

Crau-Bischof Castle

Summer Inner Castle

It's the king.

Why is he
over there?

Don't try to pry;
just ignore him.

Yes, sir.

CP&AK-

At the beginning
of the third month
I'm having a wedding

for the sixth time...

I know

I was a
fool to listen to
your words...

Shin Wool

I wonder if it's
because there aren't
any mountains... The land
looks so far away

This airship is headed
to Hollan right now

This dragon artifact was
excavated in the Labyrinth of Torro, and
later smuggled into Talarang.

I got in contact with Mrs. Karm through
the Circle, and we made arrangements
to meet at the capital ahead of time,

because she had someone
to introduce me to...

Part 1000.

There're the
unforgivable ones that
killed my father.

It felt like I
was grasping thin
air before,

but now,
I feel much closer
to finding it.

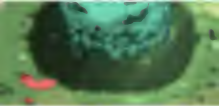

He chose me as
his "Eyesman."

Soon afterwards, I
was able to use the
power of Dragons.

The Array want
to control me and
I've been receiving
their help, but...

Chapter 11: The Array and the power of the dragons

to find out, passed by without stopping.

No, I can't deny
what's happened.

What's done
is done.

I need to be thinking
about what I'll need to
do, and what I should
do in the present...

Whenever Katsuki smiles like that, my mind suddenly goes blank...

Ah, it's nothing...

Come to think of it, he's been smiling a lot lately

He never expressed any emotion on his face before.

BOOOOO...

Long phunk, Long Katsuki's change is not a good sign.

As a human, you are not affected much

However, the position was with Lord Katsuki, a demon.

The Season's emotions affect the world emotionally.

I never thought
it'd take so much
about this season...

should something
be done to help...

If you think of it
that way, it's kind of
Season's Day emotions
so that maybe can take
its own course.

It is really for you
not to worry and the
personnel like there will
be better if they don't
need to do it...

However, in order to
do that, I need to know
what the personnel
is, first.

After that day, there
won't be any of it appearing,
which is convenient for me.

Let's make
some to look...

Is it taking someone
to come moving?

Or so is it have
another response
to this...?

Season's Day won't
affect the world for the
season's emotions of the
time on the planet.

So that is why
not change...

I don't
know why
either.

I don't know
why he's growing
up so quickly

I know that
he's in a good
mood.

This airship will
arrive in Capital
Hollan shortly.

Passengers,
please return to
your seats.

Lady Room,
wait...!

That circle in the
middle of the city... is
something like a post-code
of the Langrock

I never expected
them to have
something so big

and why do they
have so many...?

Didn't

I need to hurry
and meet up with
Mia. Karin.
